

Context-Sensitive Ministry

Ministry Not Sensitive to Context

What is my ministry template from my birth culture?

“Specifically, I propose that our contextualization agenda include (at a minimum) seven critical areas: Bible translation, language, evangelism, church planting, worship and music, theology and leadership training.”
— Harley Talman, *International Journal of Frontier Missions* 21:1 Spring 2004.6

RPTS = Reaching: evangelism and discipleship, self-propagating, self-missionizing
Planting: church planting and indigenous worship, self-governing, self-supporting
Training: leadership development, self-theologizing
Serving: showing compassion in Jesus name, self-caring, self-supporting
